Face To Face (Capo-2)

Words by Carrie E. Breck, 1898

G C G
Face to face with Christ my Savior
 G C G
Face to face what will it be
 G C G
When with rapture I behold Him
 G D G
Jesus Anointed Who died for me

Refrain:

 C G
Face to face I shall behold Him/You
 C G
Far beyond the starry sky
 C G
Face to face in all His/Your glory
 G D
I will see Him/You by and by

Only faintly now I see Him
With the darkling veil between
But a blessed day is coming
When His glory will be seen

What rejoicing in His Presence
When are banished grief and pain
When the crooked ways are straightened
And the dark things will be made plain

Face to face, O blissful moment
Face to face to see and know
Face to face with my Redeemer
Jesus Anointed Who loves me so

Have I Done My Best For Jesus?

(capo-2, tune bass string to D)

by Edwin Young and Harry E. Storrs (new melody by Robert Evans)

PLAY

D A D
I wonder have giv'n by best to Jesus
 A G D
Who died upon the cruel tree?
 G A D Bm
To think of His great sacrifice at Calv'ry
 G A D
I know my Lord expects the best from me

Refrain:

G A D
How many are the lost that I have lifted?
 G A D
How many are the chained I've helped to free?
 D A D Bm
I wonder have I done my best for Jesus
 G A D
When He has done so very much for me?

The hours that I have wasted are so many
The hours I've spent for Christ so few
Because of all my lack of love for Jesus
I wonder if His heart is breaking too?

I wonder have I cared enough for others?
Or have I let them die alone?
I might have helped a wandered to the Savior
The seed of precious Life I might have sown

No longer will I stay within the valley
I'll climb to mountain heights above
The world is dying now for want of someone
To tell them of the Savior's matchless love

He Leadeth Me (capo-3)
by Joseph H. Gilmore & William B. Bradbury

PLAY

G C
He leadeth me, O blessed thought
G D
O words with heavenly comfort fraught
G C
Whate'er I do, where'er I be
G D G
Still 'tis God's hand that leadeth me

Refrain

G D

D D C G
His faithful follower I would be
G D G
For by His hand He leadeth me

Sometimes 'mid scenes of deepest gloom
Sometimes where Eden's bowers bloom
By waters still, o'er troubled sea
Still 'tis His hand that leadeth me

Lord, I would clasp my hand in Thine
Nor ever murmur nor repine
Content, whatever lot I see
Since 'tis my God that leadeth me

And when my task on earth is done
When by Thy grace the victory's won
E'en death's cold wave I will not flee
Since God through Jordan leadeth me

Higher Ground (Capo-4)
Words by Johnson Oatman, Jr., 1898

PLAY

 G C
I'm pressing on the upward way
 G D
New heights I'm gaining every day
 G C
Still praying as I'm onward bound
 G D G
Lord, plant my feet on higher ground

Refrain:

 G D7
Lord, lift me up, and let me stand
 D7 G
By faith on Heaven's table-land
 G C
A higher plane than I have found
 G D G
Lord, plant my feet on higher ground

My heart has no desire to stay
Where doubts arise and fears dismay
Though some may dwell where these abound
My prayer, my aim, is higher ground

I want to live above the world
Though Satan's darts at me are hurled
For faith has caught the joyful sound
The song of saints on higher ground

I want to scale the utmost height
And catch a gleam of glory bright
But still I'll pray till Heaven I've found
Lord, lead me on to higher ground

I am the Vine-- and you are the branches
abide in Me--- and I in you

If you abide - in Me - and My words in you
ask what you desire and it shall be done for you

As the Father loves Me I also loved you
--- abide in My love
if you keep My commandments you will abide in My love

Every branch in Me that does not bear fruit
--- He takes away
every branch that bears fruit
He prunes that it may bear more fruit

If anyone does not abide in Me
he is cast out and withered
they gather and throw them into the fire ---- they are burned

I Know Who Holds Tomorrow (capo-3)

By Ira Stanphill

PLAY

G
I don't know about tomorrow
C G
I just live from day to day
C G
I don't borrow from its sunshine
A D
For its skies may turn to gray
G
I don't worry o'er the future
C G
For I know what Jesus said
C G A
And today I'll walk beside Him
G D G
For He knows what is ahead

Refrain

C G
Many things about tomorrow
A D
I don't seem to understand
G C A
But I know Who holds tomorrow
G D G
And I know --- Who holds my hand

Every step is getting brighter
As the golden stairs I climb
Every burden's getting lighter
Every cloud is silver lined
There the sun is always shining
There no tear will dim the eyes
At the ending of the rainbow
Where the mountains touch the sky

I don't know about tomorrow
It may bring me poverty
But the One Who feeds the sparrow
Is the One Who stands by me
And the path that is my portion
May be through the flame or flood
But His Presence goes before me
And I'm covered with His blood

Tempted and tried I need a great Savior
One who can help my burdens to bear
I must tell Jesus, I must tell Jesus

O how my heart is tempted to sin
I must tell Jesus and He will help me

I'm Going Through

(capo-4)

By Herbert Buffum

PLAY

C F C
Lord, I have started to walk in the light
 C G
That shines on my pathway so clearly and bright
C F C
I've bade the world and its follies adieu
 C G C
And now with my Savior I mean to go through

Refrain

C F C
I'm going through, I'm going through
C G
I'll pay the price, whatever others do
C F C
I'll take the way with the Lord's despised few
C F C G C
I'm going through, Je-sus, I'm going through

Many once started to run in this race
But with our Redeemer they could not keep pace
Others accepted because it was new
But not very many seem bound to go through

Let me but follow my Lord all alone
And have for my pillow, like Jacob, a stone
Rather than vain worldly pleasures pursue
Than turn from this pathway and fail to go through

Come then my comrades and walk in this way
That leads to the kingdom of unending day
Turn from your idols and join with the few
Start in with your Savior and keep going through

Hoping, trusting ever

As the Lord said He would send

Yes this old-time power was given

To our fathers who were true

He is promised to believers

And we all may have Him too

It is possible to grieve Him

And to quench His Presence too

And if He doesn't live within you

Humbly ask Him to fill you

O Lord, send Your Spirit just now

O Lord, send Your Spirit just now

Tell it to Jesus alone

Do the tears flow down your cheeks unbidden?

Tell it to Jesus, tell it to Jesus

Have you sins that to men's eyes are hidden?

Tell it to Jesus alone

Do you fear the gathering clouds of sorrow?

Tell it to Jesus, tell it to Jesus

Are you anxious what shall be tomorrow?

Tell it to Jesus alone

Are you troubled at the thought of dying?

Tell it to Jesus, tell it to Jesus

For Christ's coming Kingdom are you sighing?

Tell it to Jesus alone

There Is A Fountain Filled With Blood

(capo-2)

by Wm. Cowper & Lowell Mason

PLAY

G C G D
There is a fountain filled with blood drawn from Immanuel's veins
G C G D G
And sinners plunged beneath that flood lose all their guilty stains
G D C G D
Lose all their guilty stains, lose all their guilty stains
G C G D G
And sinners plunged beneath that flood lose all their guilty stains

The dying thief rejoiced to see that fountain in his day
And there may I, though vile as he, wash all my sins away
Wash all my sins away, wash all my sins away
And there may I, though vile as he, wash all my sins away

Thou dying Lamb, Thy precious blood shall never lose its power
Till all the ransomed church of God are saved to sin no more
Are saved to sin no more, are saved to sin no more
Till all the ransomed church of God are saved to sin no more

For since, by faith I saw the stream Thy flowing wounds supply
Redeeming love has been my theme, and shall be till I die
And shall be till I die, and shall be till I die
Redeeming love has been my theme, and shall be till I die

Then in a nobler, sweeter song, I'll sing Thy power to save
When this poor lisping, stammering tongue lies silent in the grave
Lies silent in the grave, lies silent in the grave
When this poor lisping, stammering tongue lies silent in the grave

Throw Out The Life-Line

(capo-1)

by Edwin S. Ufford

PLAY

D A D
Throw out the Life-Line across the dark wave
D A
There is a brother whom someone should save
D A Bm
Somebody's brother! Oh, who then will dare
D A D
To throw out the Life-Line his peril to share?

Refrain:

Throw out the Life-Line!
D
Throw out the Life-Line!
A D
Someone is drifting away
D
Throw out the Life-Line!
D
Throw out the Life-Line!
A G D
Someone is sinking today

Throw out the Life-Line with hand quick and strong
Why do you tarry, why linger so long?
See! He is sinking, oh, hasten today
And out with the Life-Boat! Away then away!

Throw out the Life-Line to danger fraught men
Sinking in anguish where you've never been
Winds of temptation and billows of woe
Will soon hurl them out where the dark waters flow

Soon will the season of rescue be o'er
Soon will they drift to eternity's shore
Haste then my brother no time for delay
But throw out the Life-Line and save them today

Trust And Obey

(capo-3)

by Lydia Baxter and W. H. Doane

PLAY

G D G D Em
When we walk with the Lord in the light of His word
C G D
What a glory He sheds on our way
G D G D Em
While we do His good will He abides with us still
C G D G
And with all who will trust and o--bey

Refrain:

D G
Trust and obey
Em C
For there's no other way
C G Em
To be happy in Jesus
G D G
But to trust and o--bey

Not a shadow can rise, not a cloud in the skies
But His smile quickly drives it away
Not a doubt or a fear, not a sigh nor a tear
Can abide while we trust and obey

Not a burden we bear, not a sorrow we share
But our toil He doth richly repay
Not a grief nor a loss, not a frown or a cross
But is blest if we trust and obey

But we never can prove the delights of His love
Until all on the altar we lay
For the favor He shows, and the joy He bestows
Are for them who will trust and obey

Then in fellowship sweet we will sit at His feet
Or we'll walk by His side in the way
What He says we will do, where He sends we will go
Never fear, only trust and obey

Where Could I Go?

(capo-3)

by J. B. Coats

PLAY

Striving alone to face temptations sore

Where could I go but to the Lord?

Refrain:

Where could I go but to You Lord?

Neighbors are kind, I love them every one
We get along in sweet accord
But when my soul needs manna from above
Where could I go but to the Lord?

Life here is grand with friends I love so dear
Comfort I get from God's own word
Yet when I face the chilling hand of death
Where could I go but to the Lord?

Wonderful Peace (Capo-3)
Words by Warren D. Cornell, 1889

PLAY

G C G
Far away in the depths of my spirit tonight
G D
Rolls a melody sweeter than psalm
G C G
In celestial like strains it unceasingly falls
G D G
O're my soul like an infinite calm

Refrain:

G C G
Peace, peace, wonderful peace
Em G D
Coming down from the Father above
G C Am
Sweep over my spirit forever, I pray
G D G
In fathomless billows of love

What a treasure I have in this wonderful peace
Buried deep in the heart of my soul
So secure that no power can mine it away
While the years of eternity roll

I am resting tonight in this wonderful peace
Resting sweetly in Jesus' control
For I'm kept from all danger by night and by day
And His glory is flooding my soul

And me-thinks when I rise to that City of peace
Where the Author of Peace I shall see
That one strain of the song which the ransomed will sing
In that heavenly kingdom will be

Ah, soul, are you here without comfort or rest
Marching down the rough pathway of time?
Make Jesus your friend ere the shadows grow dark
Oh, accept this sweet peace so sublime
